E. Tickets for Non-Member Guests (cost: \$250)

You are a non-member guest if you are not a parent, adult child or an immediate family member living in a household with a single member. You are welcome to attend High Holy Day services at Temple Ohav Shalom at a cost of \$250 per ticket. Dependent children do not need tickets and would attend with a ticketed adult. If any non-member can not pay the \$250 cost, we have an anonymous donor who will cover the cost of their ticket. They should contact the temple treasurer to make arrangements. These arrangements are always confidential. We welcome all who wish to join us, so please do not hesitate to make these arrangements. Should an individual or family join the congregation during the year following their High Holy Day ticket payment, the amount will be applied to their first year's dues.

Those who are members of another URJ congregation are exempt from the payment. Please have your congregation fax a letter, indicating your membership, to our temple office, 412-369-0699, by **Thursday, September 18th.**
