Our competitively priced, *TOS He-Brew* coffee is from Just Coffee, a Madison, Wisconsin based worker-owned cooperative, dedicated to fair trade. Just Coffee roasts and sells only fair trade coffee. The fair trade sales help create more sustainable economies in coffee farming communities in Mexico, Nicaragua, Guatemala, El Salvador, The Dominican Republic, Bolivia, Columbia, Peru, Ethiopia, Rwanda, Tanzania and Sumatra. The Just Coffee Fair Trade Fundraiser Project is designed to supply a high quality product that many people already use at a price that is competitive and supports fair trade.

The fundraiser will go from October through June.
